

LAB 9: PAGE WITH MEDIA

Points: 5

Submission Deadline

Lab is due on the date specified in Blackboard.

No late lab submissions, exceptions must be approved by Professor

Overview

For this lab you will create a landing page for a product, service, charity, or organization of your choice and add at least one video or audio on the page.

Requirements

1. Create a folder *lab09* and an index.html page of a product or service you are promoting may be fictitious, but content must be real.
 - a. Use at least one (1) video **OR** audio on your page, using iframe or video/audio tags.
 - b. Add some narrative text, do not simply submit a page with full-screen video.
 - c. Add some styling to make the page presentable.
 - d. Be creative and have fun!
2. Push pages, using GitHub Desktop:
 - a. Open GitHub Desktop. The software will automatically detect any changes you made within your local GitHub folder.
 - b. Fill out the summary field and click **Commit to gh-pages** button and then click the **Push origin** blue button
3. Verify the student main page is linking to *lab09* page correctly by visiting your GitHub Page website URL
4. Validate code either using Validate by Direct Input (copying/pasting the HTML) or Validate by File Upload using the HTML Validation: <https://validator.w3.org/>

Submission

Submit to Blackboard assignment link:

1. your student GitHub Pages URL
